Under 8's Week

Please find attached to this newsletter a flyer detailing the Under 8's Week Fun Day which will be held at Goodwood School on Tuesday 21 June from 9am to 11.30am. Due to the cost of providing transport in to Childers it was decided to hold an event here at the school.

There will be a large number of activities as outlined in the flyer and morning tea will be supplied at a cost of \$2 per child and adult.

All families are very welcome to attend including those families who do not currently have a child enrolled at Goodwood however all children under school age must be supervised by parents.

The school photos were taken today. If you wish to purchase a school captain photo we will be sending home, in the next couple of weeks, information on how to do the online ordering.

Anyone Got a Fridge to Donate?

As one of our student fridges has died we would like to ask the community if there is anyone out there who may wish to donate a second hand fridge to the school.

Disco

Thank you again to our fantastic P&C for organising another brilliant disco for our kids to enjoy. The visuals were brilliant!! The children had a superb time and it was wonderful that our Adopt A Cop Constable Michael joined us with his friend Officer Sharon.

Thank You

Thanks to Michael Ham for collecting the old fridge and organising its disposal last weekend.

The following message was sent to us via email but is worth reading:

Why do you pay so much in money and time running your son/daughter around to sport?

- I pay for those moments when they become so tired they feel like quitting but don't.
- I pay for the opportunity for them to make life-long friends.
- I pay for the chance that they may have amazing coaches that will teach them not just about the game but about life.
- I pay for my child to learn to be disciplined.
- I pay for them to learn how to take care of their body.
- I pay for them to learn how to work with others and to be a proud, supportive, kind and respectful team member.
- I pay for them to learn how to make and accomplish goals.
- I pay for them to learn that it takes hours and hours of hard work and practice to create a champion, and that does not happen overnight (and might never happen).

I pay for them to be on the field/court instead of in front of a screen
