### Acting Principal

Wow, where did the term go? It is hard to believe that we have almost finished the first term.

Wednesday will see all of our students participating in the cross country. This will be the first chance for the year for students to formally compete for their houses. Events will start at approximately 9am with our 5 year olds running first. Please remember that these events will be contested in age groups **not** year levels. For example, all students who turn 5 this year will compete against one another regardless of the year level they are in.

I would like to send out a big thank you to a number of people who have helped the school and students out over the last fortnight. Firstly, I would like to thank Mrs Last and staff for coordinating the Book Fair. This was a big undertaking and something that took many weeks to pull together. Thank you also to the students and parents who chose to dress up as pirates or their favourite book characters. You all looked wonderful. I would also like to thank the P & C, Mrs Johnson and all of the parent volunteers for organising the Disco. It was fantastic to see some many students and parents brave the downpour and do the chicken dance.

Early next term we will be conducting an ANZAC service on Monday 24<sup>th</sup> April in our multi-purpose court. This service will be conducted with the support of the Woodgate RSL. The Woodgate RSL have once again extended an invitation for our students to be involved in the ANZAC Day service at Woodgate on Tuesday 25<sup>th</sup> April. Our students will march alongside past and present service men and women and participate in the service. Goodwood School and the Woodgate RSL Inc have a very long association going back many years and we urge all parents and students to participate in this important commemoration. We also urge parents to help out if possible at the bar-b-q which follows the service.

I hope you all have a relaxing Easter break.

Tony Franklin.

## Circle of Security

A parenting program for parents and caregivers of children 0-6yrs

Circle of Security is a 6 week parenting program that explores the connection between a parent/caregiver and their child. The program enables parents/caregivers to further explore their children's need for comfort, safety and secure attachment, whilst understanding and reflecting on their own responses to their children's needs.
