Principal Notes

Welcome back! We finished last term with a visit from the School Improvement Unit (SIU). Over two days, they interviewed school staff, regional staff, parents, students, community members and local politicians to get a true understanding of how our school is working. Thank you to those parents who had a chat with the review team. The findings from the review will now be the foundations for our next quadrennial school report or ‘four year strategic plan’. The SIU offered many commendations for the wonderful things they had noticed while they were here including, the great community connection we have through the Woodgate Readers, The RSL and many other Woodgate/Goodwood community groups. They were also impressed with the current transition to high school processes that we had in place, which includes our successful year 4-6 leadership days at the end of each term. A full report will be presented to the school in the next few weeks. We look forward to sharing that when it is available.

Thank you Mrs Bolitho.
At the end of last semester, Mrs Cassandra Bolitho made a personal decision to not continue teaching at Goodwood State School. We would like to thank Mrs Bolitho for her service to our school this year and the many years before that. We wish her continued success with her personal and family endeavours. The Year 3-6 class enjoyed many successes during the first semester with Mrs Bolitho and will miss having her as their second teacher. We look forward to Mrs Bolitho’s involvement in our school for many years to come as one of our valued parents!

Mr Steven Albert has been appointed to our school as the suitable replacement for Mrs Bolitho. We look forward to enjoying many exciting learning experiences with him this semester. As of week 3, Mr Albert will
join us every Monday. This will mean the principal’s administration day (the day Mr Nastasi is working in his office) will be moved to Monday.

I am sure you will join me in welcoming Mr Albert to our wonderful school community.

Here is a little bit about Mr Albert.

My name is Steven Albert. I have just moved to Bundaberg this week after studying in Brisbane. I am passionate about sport, with my favourite hobbies including playing rugby league and soccer. I’m really looking forward to bringing some fun activities to the 3-6 class this term, especially in my favourite subject Science where we have some fun ideas planned for the semester. If you have any questions, or just want to have a chat, feel welcome to come say G’day on Mondays!
